东隅 BEIJING

Urban Corner View

(370 sq ft / 35 sqm)

Guest Rooms and Suites

Urban Corner View rooms are available with Park or Urban view options and are complimented with floor-to-ceiling windows showcasing the panoramic views of Beijing. At 35 sqm (370 sqft) with a king-sized bed and the convenient facilities such as a work station, international power sockets and complimentary Wi-Fi, guests can make their own decision whether to go to the office or not and be just as productive. In addition to the walk-in rainfall shower, our Urban Corner Rooms also have a large soaking bathtub for when it's time to relax and unwind.
