東隅 HONG KONG

## Urban Corner (320 sq ft / 30 sqm)

### Guest Rooms and Suites

With 345 airy rooms, including six elegantly furnished suites, EAST, Hong Kong can make your stay in Hong Kong a comfortable one. The city itself can be overwhelmingly dense, but you'll never get that feeling in our spacious rooms. The average room size is 300 sq ft (28 sqm) with spaciouly high ceilings (2.9m / 9.5ft). Suites and certain rooms feature high-tech gadgets, such as Apple TV, while all rooms come with a walk-in rain shower and a workstation with complimentary WiFi. It's time to enjoy city living at its best.

### Room Features

- + *handy* – a complimentary device that allows guests to enjoy free local and international calls to selected destinations, and internet access
- + Complimentary WiFi and wired broadband internet
- + Apple TV (available in selected rooms only)
- + 37" HD LCD TV with satellite and i-cable channels (+ laptop connection)
- + Complimentary tea and infusions
- + Espresso maker with complimentary coffee
- + Walk-in rain shower
- + Non-smoking
- + Safe
