Please note actual room layout may vary.

Our four Workshops located on the 6th floor form a dedicated events space that is ideal for planning intimate meetings and gatherings. Ranging from 640 to a combined 1,500 square feet - each space is bright and modern with a built-in credenza and floor-to-ceiling windows that allow in an abundance of natural light.

We have all the latest tech at your disposal, with our in-house audio visual provider offering a 75" LED Smart TV with Apple TV, wireless single-click presentation and built-in sound system.

Workshop 1 is an 875 square foot corner room with city views and a roll-down screen and projector for big presentations. If you're looking for more space, this room can be combined with Workshop 2 to form a 1,500 square foot area that's perfect for bigger groups.

For more options, choose between Workshop 2 with 650 square feet of events space, Workshop 3 with 630 square feet of room and Workshop 4 which is a bright 655 square foot corner room.
